1. We sing the Malaysia National Anthem at the beginning of every assembly.

NEGARAKU

Negaraku,
Tanah tumpahnya darahku,
Rakyat hidup,
Bersatu dan maju,
Rahmat bahagia,
Tuhan kurniakan,
Raja kita,
Selamat bertakhta.

Hope we managed to view the song together. There are so many recent videos being shared to spread joy and appreciation for the people who keep us safe. Let us be inspired and I will like to encourage all our students and staff to join in the Honsbridge's Got Talent to sing your hearts out and dedicate your performance to spread joy to everyone. The contest is Open to students across all levels and students from other schools are also eligible to contest together with students of Honsbridge. Entry fee is absolutely FREE. Let us stay strong and spread positivity for your family, for yourself and for my students and staff, you will be able to look back and be proud of how you have overcome the changes and loss when the good times come.

3. Mid Term Break after exam.

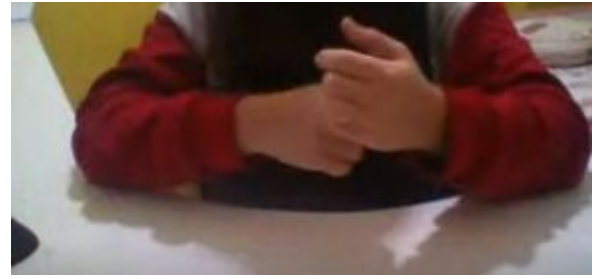

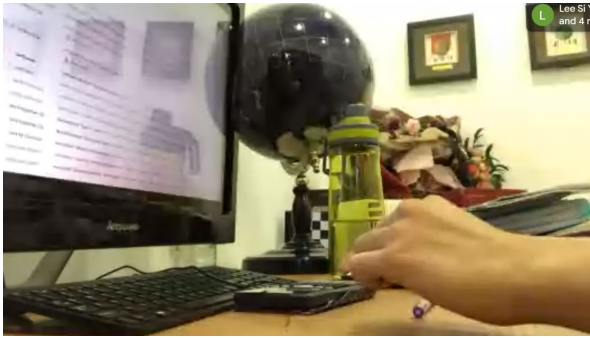

School as usual for this week. There are changes in the school calendar for the month of April. On the 27 Mar, we postponed the Term 1 exam to a later date therefore the School Break after exam as mentioned in the earlier school calendar will also be postponed. The school will have classes as usual in the whole month of April.

4. E-learning

On the Friday 10th Apr, we would know if there is any extension of the MCO. Honsbridge will be collecting students, staff and parents travel declarations and intentions to come back to school or continue E-learning if the Movement Control Order ends on 14 Apr. Please check on AllSchool for a survey to express your intention and to declare your personal travel information.

5. E-exam

Today, Honsbridge made another milestone in our E-learning. We have G21 graduating students for the May 2020 exam sessions and G20 alumni students sitting for their E-Exam. Our students are doing the exam using a soft copy of the question on their computer or printing the hard copy out. Either way they will be submitting the scan copy of their answers at the end of the exam. Let's wish them all the best for these 2 weeks.

6. English Workshop

We had an interesting discussion in the Secondary Workshop on human behaviour in relations to Michelle Obama's quote 'Pandemics do not create character, they reveal character'. It was lovely that we managed to have some time for it. As so the Primary, there was a little bit of show and tell by one of the students on his beautiful collection of fishes.

7. PTM

The link for the forms has been posted to your Homeroom classes. The posts have been moved to the top. The settings have been adjusted, but it seems that a handful of students still require to ask for permission to access it. Do not be worried about that, please open the document today so that I could provide the access as soon as I could.

Friendly reminder that the PTM is on the 25th this month, so would be good if the dates are set in ASAP.

8. E-Speech Day

The days are closing in! Are you prepared for your performances? Today is your final day for rehearsal during enrichment time after assembly. You may start recording and editing your videos.

Post your auditions of your classmate, schoolmate or your sibling for the speech day contest on Facebook and tag **# Honsbridge 's got talent**

The closing date for posting is on Tue, 14 April 2020.

9. New timetable and new teachers

Oh no, some of you are still following your old timetable! Please update your personal notes following the new timetable. Some of you have new teachers. Please take the opportunity to discuss with them about your focus, worries, strengths or even request some extra work to sharpen your skills. Have a great time getting to know them and I hope you have a wonderful experience.

End of Assembly with HONSBRIDGE SCHOOL SONG

Let us all raise for the
