2. Message from our principal, Ms. Emma.

Our teachers and operation staff have teamed up successfully to organise the online E exams for our exam class students of G20 and G21 who asked to sit for their online exam commencing 7 April 2020. I would like to wish the best of luck to every student from class G20, G21, G23 and G24 who choose to sit for their Bahasa and Mandarin E exam online commencing 21 May 2020. Finally, a big THANK YOU to the students, teachers and staff members for the successful E exams, we can be proud of being a part of the innovative new initiatives - E Exams despite our school being temporarily closed.

3. Mandarin and Malay E-exam for Senior class.

Students (G20, G21, G23, G24) that want to sit for the E-exam next week must register on the form sent out in AllSchool. Yesterday, we did our training for the first batch of students. It is compulsory to attend the training before the exam on how to download the exam papers and upload your answers to the school share folder. In the event that you do not want to do the E-exam and are not able to provide us with the evidence of the respective CA test papers, you will not have a grade awarded by the CAIE for this June2020. We will conduct another training session later this week. Please register latest by tomorrow on the link below for the survey to express your interest.
