1. We sing the Malaysia National Anthem at the beginning of every assembly.

## NEGARAKU

Negaraku,  
Tanah tumpahnya darahku,  
Rakyat hidup,  
Bersatu dan maju,  
Rahmat bahagia,  
Tuhan kurniakan,  
Raja kita,  
Selamat bertakhta.

### 2. Message from our principal, Ms Emma.

To my students, their parents and staff,

We, the Honsbridge community can be proud of our effort to raise money and awareness for The Refuge for the Refugee on the 17 July 2020, our annual CSR event. Here is one of my favourite moments of the event after my pledge 30min run. You helped me with your cheering and 60s countdown, a big thank you!

Through this CSR, I hope that everyone feels encouraged and blessed with the good health, shelter and love that we have. We continue to spread positivity through the way we think and act. Keep it up.

For students and staff to come back together and learn at school has not been easy because everyone plays an important role to adopt the new school's safety measures. e.g. SOP on wearing face mask and social distance all the time. I like to remind **you and your friends and family** how important it is we continue to follow SOP at school and when you are outside of school in order to stay safe and reduce the risk of COVID -19 transmission. We can do this together, do let us know how we can improve the environment for adopting the new NORMAL.  
Honsbridge United.

“ Let's say you woke up with a terrible cough, a fever, and severe body aches. Immediately, you rush to the doctor and unfortunately, you're diagnosed with COVID-19.

For the last two weeks, you've been unaware that you were infected and you've ignored "the rules." You've gotten together with some close friends for pizza, had a few people over, even visited a park and a beach. You figured, “I don't feel sick. I have the right to keep living my normal life. No one can tell me what to do.”

With your diagnosis, you spend the next few days at home on the couch, feeling pretty crappy; but then you're well again because you're young, healthy and strong.

Lucky you !!

But your best friend caught it from you during a visit to your house, and because she didn't know she was contagious, she visited her 82-year-old grandfather, who uses oxygen tanks daily to help him breathe because he has COPD and heart failure. Now, he's dead.”

Remember to wear your face mask and keep a distance of 1m. Starts with you and everyone including President Donald Trump, right?.

3. The amount collected from last Friday CSR is RM780, they are still much more that was not collected from the students.. For those that had pledged their donation, please pass your cash donation to Ms. Hang or bank transfer to, Hosnbridge International S/B account details are UOB 136.301.5722.

4. . We had fun doing fitness after 3 months of training during friday PE

Contributor	Amount
Liew Chien Xuan	RM200
Vitthal Mac Guhan	RM150
Honsbridge teachers	RM150

Low Lai Hock	RM100
Honsbridge Admin	RM80

5. Let us welcome our new teacher, Ms. Nurul. She is taking care of Literature P2,P4 and Malay from P1 to SJ5. Ms. Nurul please give a few words on your experience at Honsbridge.

6. Congratulations to Honsbridge, we have successfully rolled out the blended learning of our Secondary classes and Year 6 class of SJ5 via the online and physical class at the same time. This blended learning gives the students the choice to study from school or from home. Our teachers put in the extra effort to teach both groups of students from

home and school, thank you so much for your dedication and love for our students because it is not easy to teach blended learning.

7. Our school will like to give a big Thank you to Mr. Kan (parents of Caring P3, YuMing SJ5,, CharMing J16A ) for donating hand sanitizer for students and staff to use in our school.

8. Keeping class clean and organised. Let's pick up a good culture from Japan. We will start to have a cleanliness competition in class. There will be a weekly award mentioned of the best class. The condition of the class will be monitored after break, after lunch and at the end of the class. Your class will be scored for

- a. The tidiness of tables and chairs are in good order.
- b. cleanliness of your classroom e.g. no food wrappers or general waste are seen.

[Link for youtube video](#) of a certain school that adopts cleanliness as an important culture.

9. Orientation

- a. after IGCSE.

There will be a Career and job opportunities online talk by Sunway in the Science and Art field on the 21st July next week at 1:30pm - 2:30pm during enrichment for G24AB, G23 and G22AB. It is a good exposure on what are the suitable careers and their requirements. Parents are encouraged to join together with students.

**Meeting ID: 947 9228 4638**

**Passcode: SunwayTalk**

There is also a popular workshop for students that would like more information about a career in science in a specific field.
