2. Message from our principal, Ms Emma. (presenter : Ms. Diana)

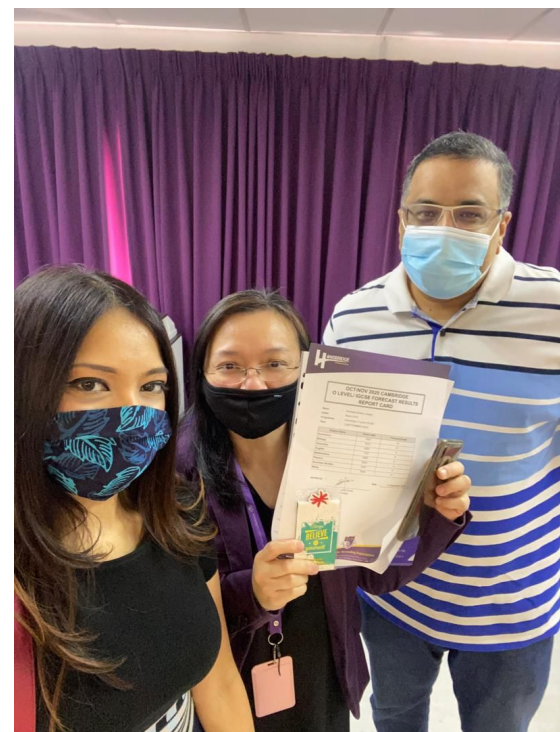

There is a saying that change is the only constant, it is so true in extraordinary times like this. Our staff and students have to rise up to challenges of the Influenza A this Jan, COVID 19 and MCO followed by E-learning and reopening of school by practising the safety SOP. We are constantly learning to deal with changes, my staff and students.

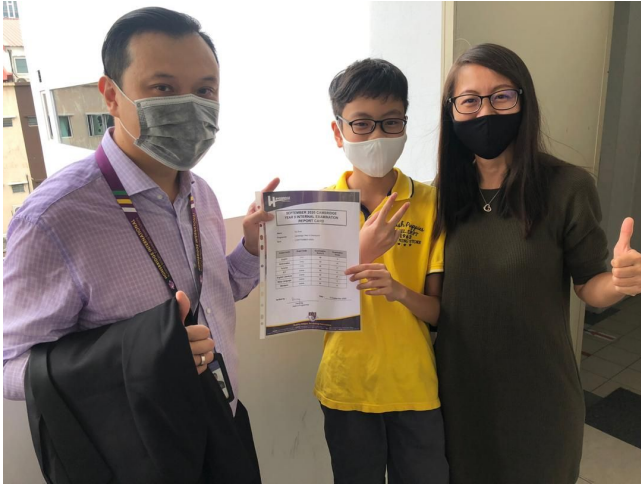

As of today, many of our students who sat for their evidence based Cambridge IGCSE/ O Level examination in May/June 2020, still did not get their exam results according to their evidence submitted by our school. The Cambridge board of examination has kept everyone, not just Honsbridge waiting for the results our students deserve. As students, their parents and teachers ourselves, I like everyone to be patient and deal with changes for example teachers who have decided to leave and teachers and staff who have decided to start a new chapter at Honsbridge, let us help everyone in a positive way and help others to see the positive side of things. Smile and give a helping hand, Honsbridge United and I love Honsbridge.
