4. Discipline (presented by Ms. Sarah)

Based on the teachers' observation last week, many of the students were not serious during lessons online. The rules listed below have been repeated but to no avail. So from Monday (19th Oct 2020) onwards, we will take disciplinary action against students who do not comply with the online class's rules:

1. **Your webcam has to be turned on throughout the lesson.** As a responsible learner, you should always make sure your computer is facing an appropriate background. This is to create an environment that will promote learning.
2. **Your webcam must be facing your top and front of the upper body (face-shoulder-collarbone) till upper limbs. Do not forget**

to wear your school uniform for your online lessons as well.

3. Make it a point to mute your mic immediately after speaking. Maybe put a sign on your computer with a sticky note "Mute Mic" as a reminder.

4. You must only respond/answer questions if the teacher gives you permission to do so. Do not interrupt the teachers when they are in the midst of presenting their lessons. Please wait for your turn to speak.

5. Do not spam the chat box. Please don't take advantage of your connection with the other students in your online classroom to post irrelevant comments, links, or thoughts.

6. You are encouraged to use the chatbox to ask and clarify any questions you may have regarding your online lessons. Not only that, you may also use the chatbox to request permission to go for toilet breaks.

7. Be kind. If you wouldn't say it face to face, don't say it online. When you're learning online, you're safe behind a screen, but that's no excuse to be ill-mannered or say things you would never say in public to your classmates.

8. You are not allowed to have your pets with you during your online lessons. This is to avoid you and your classmates from getting distracted.

9. Please be responsible and serious about your own learning by submitting your homework on time/taking down notes during lessons. **Do not allow your classmates to copy your notes if they were absent** because they **woke up late or decided not to attend class.** If you were absent with reason (parents have informed the school), please communicate with your subject teacher so that he/she will assign you a classmate to assist you.

10. Follow all the rules.

If you fail to obey any of the above, your access to online classes may be suspended.
