National Anthem - Negaraku

Message from our Board of Governor, Ms Emma. (presenter : Ms. Diana)

My Honsbridge united community, we are facing the invisible enemy of Covid-19 virus more than ever at the moment because Malaysia recorded its highest number of 432 as of 5 Oct 2020.

Hence, it is very crucial that everyone continues to social distance and to have high standards of personal hygiene E. g. wear masks, sanitise your hands before touching self and before eating.

To all my staff and students, should you have a fever, cough or a shortness of breath, immediately self quarantine yourself at home and contact your family for help. Do also inform our school on 1700 815 188 to update us if you suspect you are feeling really unwell so that our school can be more prepared to reduce further risk of transmission by tracing who has been in contact with you before you fall sick, these people who have been closed with you physically shall need to self quarantine for protecting self and others.

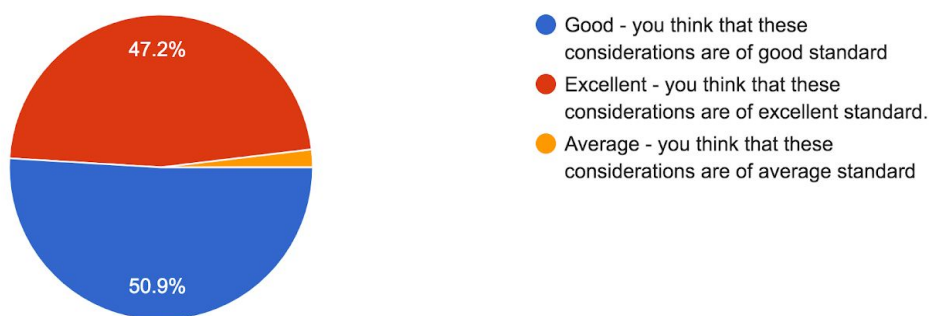

Let us stay home and stay safe because there are more and more places that we frequent have been reported to have Covid 19. I will also advise not to join any major gathering where there are too many people that we don't know gathering together. For example, these areas especially shopping centres have reported cases of Covid -19, please check out the list if you have not learnt yet. Have you made plans to travel to other states E. g. Kedah and East Malaysia, please defer your trip for the 1moment unless really necessary, kindly declare your information to our school.

Last but not the least, our staff and students' parents are very cooperative and they have given our school the assurance we require in their travel declaration. Here are some data summarising the 212 responses on the need for the more detailed personal travel declaration.

It is expected that every staff, student and their parents will give a daily personal travel declaration at the time of admission into the school premises. This is to ensur...

Honsbridge has decided to start online lessons for Primary 1, Primary 2, Primary 3, and Primary 4 starting this Friday 9/10/2020. Please make the necessary arrangements. We will continue to track the number and advise parents should there be any changes in the schooling arrangements.

A reminder to wear their mask and not sit together when you are eating your lunch. Your risk is extremely high without the mask.

5. Enrichment classes.

6. Discipline (presented by Ms. Sarah)

In view of the latest developments of the COVID-19 cases in Malaysia, we can no longer afford to continue our careless ways. The Disciplinary Board would like to remind **all students to strictly adhere** to the Standard Operating Procedures (SOP) as laid out by the Ministry of Education (MOE).

4 IN CLASS

- A maximum of 20 schoolchildren are permitted within a classroom.
- Desks must be arranged 1m apart from each other.
- Do not share items and personal belongings like pencils or erasers.
- Students must remain in their allocated seats (some schools have the students' names printed and pasted on the desks) and they must not share desks or chairs.

6 RECESS

- Staggered dispersal of schoolchildren to and from canteens to prevent overcrowding.
- Foods and drinks are packed in canteens.
- Floors are marked to ensure social distancing among schoolchildren.
- They are required to consume their food and drinks in their classrooms.

The **prefects of Honsbridge** and **class monitors/assistant class monitors** are tasked with the power and responsibility to assist the teachers in ensuring that **EVERY Honsbridge student follows the SOPs. Failure to comply will result in disciplinary action (e.g. suspension).**
