1. Message from our Board of Governor, Ms Emma

(Ms. Diana to present)

Dear students and teachers,

Honsbridge takes pride in providing our graduates with a very important secondary supporting document, the ECA record. A sample of the ECA record will be sent to our graduating class of G23 via email. I hope that our G23 will start to prepare their own ECA record for their perusal. It was my pleasure to speak with all of you last Friday. For those who were absent, I will like to take the chance to remind you still have a lot of time to do well for your examination. Do seek help as soon as possible and talk to your teachers and friends whenever you need to. Teachers and friends are always here for you, G23 and G24. You have learnt so much schooling in the pandemic last year, believe in yourself that you have the power to achieve the best results for your exams.

To all my students who are still reading at Honsbridge, please make sure you have your participation in every competition recorded down, because you are entitled to receive the ECA record when you graduate at Honsbridge.

For students who are thinking about your career, have you considered to join the Healthcare industry? There are some amazing opportunities available from various Universities, such as the Sunway University, please consider applying for their full scholarship to study nursing with just a minimum of 5 credits in
