1. **Message from our Board of Governor, Ms Emma**

(Ms. Diana to present)

Dear Students and Staff, welcome back to school to our students from other classes who are back at school this week. I hope your first two days have been great. As a school of students and staff, well done to us for adjusting ourselves to attend school adhering to SOP.

Today, I would like to give my deepest appreciation to Mr Tan and his teachers for all their effort and hard work to lead the way for our first Virtual Sports Day. Our teachers have inspired and encouraged our students to test their limit and do their part for their sports house. My heartiest congratulations go out to you, students on your participation, especially for participating in the Marathon.

Finally, let us all especially thank our teachers for organising our first physical sports classes last Friday. Looking at the happy faces from our photos, I am sure our students have enjoyed socialising and exercising together on our school sports ' grounds. Please don't forget to wash your hands and wear your masks after PE Is over. Please also remember to keep your hands off your face, ears and eyes especially during PE. Teachers, thank you for your constant supervision and reminders to our students.
